

SERMON NOTES

Summer 19, Week 1
Your New Life in Christ
Speaker: Jim Barker

June 22-23, 2019

The four questions that my old, sin-corrupted self asked determining how he lived:

1. What's in my best interest; what's in it for me?
2. What will others think of me?
3. How can I promote myself?
4. How can I protect myself?

The four questions my new self in Christ asks determining how he lives:

1. Father, what is in the best interest of others?
2. Father, what will others think of You when with me?
3. Father, how can I promote Your purposes playing my part in Your plan?
4. Father, how can I become more humble and vulnerable before You and others so others experience something wonderful of You when with me?

What is God's ultimate intention for your life? Christlikeness! Christlikeness is to live your life as a true expression of your union with Christ in thought and motive, to be expressed through all that you are, say and do in every relationship, circumstance and task, to the blessing and well-being of all whom your life touches.
